I/we acknowledge that a place will only be offered once our/my child has visited the school for an informal assessment and interview and where appropriate a satisfactory reference from the current school has been received and all obligations met.

DEPOSIT:

Please check our latest Scale of Fees for the amount of the deposit. This, less an administration charge, is credited on the last term's account or will be refunded if we are unable to offer a place. Otherwise it is not refunded.

FEEs IN LIEU OF NOTICE:

If we can plan ahead and maintain the school numbers we are able to charge lower fees. We hope that parents will only enter children in the school in the reasonable expectation that they will not have to be removed at short notice. Notice of removal should be given unconditionally in writing on or before the first day of the pupil's last term. If it is not, we strictly enforce the condition that a full term's fees in lieu of notice will be payable when notice is given or when the pupil leaves.
