## **Aims of Sherborne House**

### **Ethos**

At Sherborne House, the children are the focus of all we do. We want them to enjoy, value and grow from all their experiences with us, and to leave school with a life-long love of learning, and the confidence and resilience to achieve their goals and dreams.

### **Aims**

Sherborne House aims to provide a stimulating and exciting education with wide-ranging opportunities to investigate, explore and grow intellectually, morally, spiritually, socially and physically. This is achieved through the following specific aims:

### **Achievement**

- to offer the opportunity for each child to become an independent and motivated learner
- to enable each child to understand and judge their work, so that positive evaluation will encourage the will to succeed and the desire to improve
- to promote high standards in all areas of school life

### **Curriculum**

- to deliver a balanced and wide-ranging curriculum, differentiated to meet varying needs, interests and abilities
- to inspire creativity and imagination
- to offer relevant opportunities which will encourage belief in the value and relevance of school life

### **Attitudes/Values/Personal Development**

- to develop positive and supportive relationships with peers and adults
- to promote a caring and tolerant environment, in which individual differences are respected and equal opportunities are the right of all
- to nurture enthusiasm for, and an enjoyment of, school life

### **Partnership with Parents**

- to create an environment in which all parents are encouraged to be involved in the life of Sherborne House
- to work in partnership with parents to ensure the best possible home/school support for each child
- to foster good communication between home and school
